

NHHS ONLINE BEACON SCHOOL NEWSPAPER PRESENTS: THE CARTOONIST CHALLENGE

Have you always thought you were the next Charles Schulz? Well, here's your chance... enter our competition to be an *official cartoonist* of Newport Harbor by creating a Tommy Tar comic strip. A new comic by the selected cartoonist(s) will be featured each month on our website nhhsbeacon.com, hung up around campus, AND put on our instagram @nhhsbeacon. This competition is open to ALL students, especially those involved or interested in art and cartooning.

Rules:

- ❖ Size: Single frame or multiframe comic- no more than 8 frames total*
- ❖ Color: Black & white only
- ❖ Character: Tommy Tar (in the comic)
- ❖ Clean comedy: Dry humor, satire, etc.
- ❖ Creative title for your comic strip

* Inappropriate comics will be disqualified

- ❖ Students may work as a team, with credit given to each participant. For example, one student may choose to draw while another student may choose to write the script.
- ❖ **Submit digital PDF file** (NOT specialized drawing software file) ready for publication to the email listed below.

The winning comics will be featured as our new ad campaign that will be shown on both our website nhhsbeacon.com and our instagram @nhhsbeacon. Depending on quality and quantity of submissions, multiple winners may be selected. You can also submit the cartoon anonymously if you so please.
